

Julia Epprecht

Visual and Motion Designer

Experience

Self Employment

Freelance Designer
March 2020 - Present

Currently working on designing and constructing a website for Linda Wagner LLC, an occupational therapy company based in Erie, Pennsylvania.

Creative Director

RIT College Activities Board
May 2018 - May 2019

Lead the marketing team and made sure our publicity reached the students through social media, websites, and fliers. Also, worked with the executive board to create a vision and strategic plans for the events put on for the 18,000 student body population.

Designer

RIT College Activities Board
Jan 2017 - May 2018

Created stylish, eye-catching publicity to increase awareness of the organization's events. This included creating fliers, social media content, gifs and hand made posters.

Creative Intern

Tweezerman International
Summer 2016

Photographed products, prepared and assembled samples for buyers / potential customers, organized the department server and created unique designs for new products using Adobe Photoshop, Illustrator and InDesign.
